Most Holy Father,

Name and Surname

we would like to appeal to you with our testimony concerning Father Bishop Robert Bezák, who was dismissed from his appointment as Archbishop of Trnava, Slovakia, on July 2, 2012. According to the Slovak Nunciature, the Holy See had previously received "numerous stimuli (meaning complaints) from the clergy as well as common believers about the pastoral situation in the Diocese of Trnava". Therefore we address to You this letter with confidence, as we want to offer our personal testimony as the other side of the coin.

We, Czech and Slovak Christians signed below, know Father Archbishop Bezák as a good shepherd, who loves Christ and the Church and has a great respect for You, successor of Holy Peter. We can confirm that he has an enormous ability to pass the message of the Gospel to the contemporary world by means of his words as well as his deeds. His personality has inspired us to deepen our love of Christ and the Church. It is this love that helps us to overcome the disappointment caused by his dismissal, the reasons of which we do not understand.

We realize that You must sometimes face even hostile attacks, and therefore we write to You with awe, and at the same time hope that You receive our testimony with an open mind. We would like this letter to have a constructive, not destructive effect. Each of us hence pray for Your intentions, as we know how difficult it is to steer the Peter's boat through this turbulent world.
